

entrepreneur networks in Norwich

Norfolk Network

The Norfolk Network is a dynamic resource and highly interactive community for business success, support, dialogue, and promotion in the UK and beyond. It helps entrepreneurs, start-ups and SMEs aspiring for high and sustainable growth, so its events, masterclasses and online resources concentrate on markets and innovation to help its members get, keep and grow customers.

NR Squared

NR Squared creates a wide range of opportunities for supporters and members to meet with like-minded people. The network was set up to meet the needs of both existing and budding entrepreneurs. It is ideal if you plan to start your own, high performance enterprise or own or manage a fast growing business. It was established in 1999 with the support of the East of England Development Agency.

Norfolk Chamber of Commerce

The Norfolk Chamber of Commerce and Industry represents the voice of business, as an accredited part of the British Chamber of Commerce network. The Chamber represents the interests of business at a local and national level:

- It encourages business enterprise and develops and assists projects, which expand the local economy.
- It helps foster new contacts and business opportunities.

- It keeps members abreast of new regulations affecting their business.

- It provides a forum for local business opinion.

East of England Development Agency (EEDA)

EEDA aims to promote the positive benefits of living, working and investing in the East of England. It plays a strategic role bringing together the work of partners and businesses at a regional level and enabling the spread of best practice. EEDA's wide ranging remit includes economic development, business support and investment and development of a clear identity and profile for the East of England.
